ACTIVITY OF THIS YEAR-2020-21

Environmental Awareness Campaign

The objective of the scheme is to create mass awareness among general public, students and other target groups about environmental problems and to take measures for environment protection by active involvement of Students, rural masses and general public. The scheme was initiated by **Ministry of Environment & Forests, Govt. of India (MEF, GOI)** in 1986.

„GAJANAN EDUCATIONAL TRUST“ take up following activities on the occasion of celebration of Environment related days:

- Planting of local tree species.
- Cleaning of Public places/school compounds/ponds/drains, etc.
- Organization of film or slide shows at community centers, Schools, Colleges, Museums, etc. on environmental themes.
- Organization of puppet shows, street dramas, folk dances, songs, etc. to focus on the need to protect our environment.
- Saving water, repairing leaking pipes and joints, installing flow reducers at business premises/factories/mills.
- Reducing water use in garden by using drip or sprinkler systems.
- Installation of rain water harvesting system for management and storage of rain water.
- Choosing products that are recyclable and also products made from recycled materials.
- Walking or riding a bike for short trips.
- Donating unwanted but usable items.
- Initiate the establishment of plant nurseries in schools, villages, etc.
- Organising simple exhibitions, fairs, melas, etc. on environment.
- Organising public debates and discussions on environment Vs. development in local languages for the general public.
- Organising quiz/essay/painting/poster competitions on environment for school children.

Sanitation Programe-

We focus on sanitation program in each village locality to ensure people that what is the advantage and disadvantage of this program. We thought that until unless people get clean and safe then there is no improvement of our society. We motivate people for building of bathrooms in each home .

Child Labour Awareness Campaign

We concentrate on how to motivate people and child from child labour by organizing seminar and workshop on anti childlabour. Give the rights to child for only and only study not for earning. Let the adults to earn. Allow the child to go school and gaining knowledge.

Literacy Program-

National Literacy Mission (NLM) was set up by the government of India on 5 May 1988 with an aim to eradicate illiteracy in the country by imparting functional literacy to non-literates. Thus, GAJANAN EDUCATIONAL TRUST not only focus on how to make everybody just self-reliant in the three Rs — *reading, writing and arithmetic* — but also to make them aware of the development issues affecting the society. The target group of GAJANAN EDUCATIONAL TRUST is people between the age of 15 and 35. We motivate people to attend the class and learn for themselves.

HEALTH CHECKUP CAMP

We organized a health checkup camp for some locality to check up their health status and take suggestion from doctor. Because HEALTH IS WEALTH. Some people delaying themselves for their health so we provide free health check-up. And in village mostly people are far away from today's science, so that we make a better communication channel between them and medical science.
