A Charitable trust registered under the Indian Trust Act , 1882.

FROM THE DESK OF THE SETTLER CUM TREASURER...

Dear Friends and Well-Wishers,

It gives me immense pleasure to present the Annual Report of **Gajanan Educational Trust** for the financial year 2023-24. This year has been a milestone in our journey of service and commitment toward social welfare. Our organization has worked tirelessly to address various pressing issues such as Population Control Awareness, AIDS Awareness, Environmental Conservation, Healthcare Services, and Vocational Training. With the relentless efforts of our dedicated team and the invaluable support of our community, we have been able to create a significant impact across Odisha. Each project we undertook aimed to uplift society and improve the quality of life for those in need.

Throughout the year, we organized several awareness campaigns, free health camps, and training programs that reached thousands of individuals. The enthusiastic participation from people across different communities has strengthened our belief in the power of collective efforts. The success of our initiatives would not have been possible without the support of our volunteers, donors, and government authorities, whose unwavering encouragement continues to inspire us. As we move forward, we aim to expand our reach and introduce new initiatives that further empower individuals and contribute to the sustainable development of our society.

On behalf of **Gajanan Educational Trust**, I extend my heartfelt gratitude to all who have been part of our mission. Let us continue to work together towards a better and healthier future.

GANESH CHANDRA MUDULI
SETTLER CUM TREASURER

ABOUT GAJANAN EDUCATIONAL TRUST

Gajanan Educational Trust a Charitable trust registered under the Indian Trust Act , 1882. Our mission is to empower communities through awareness, education, and healthcare initiatives. We envision a society where individuals have access to quality healthcare, education, and economic opportunities. Our values are centered around compassion, integrity, and accountability. We believe in working collaboratively with our stakeholders to design and implement programs that address the pressing needs of our communities.

Vision

To build a healthier, more informed, and empowered society through community-driven initiatives.

Mission

To create a just and equitable society by advocating for human rights, gender equality, and sustainable development.

Goal

Empowering socially excluded groups, particularly ST, SC, Minorities, and marginalized communities, with a focus on Multiple Marginalized Women (MMW), children, and vulnerable youth, leading to improved livelihoods and quality of life.

AIMS AND OBJECTIVES

- Human Rights
- Environmental Protection
- Poverty Alleviation
- Healthcare
- Education
- Disaster Relief
- Women's Rights
- Child Rights
- Economic Empowerment
- Community Development

PROGRAM AND ACTIVITIES

POPULATION CONTROL AWARENESS

Understanding the impact of rapid population growth **Gajanan Educational Trust** conducted multiple awareness campaigns to educate communities on family planning, reproductive health, and sustainable living. Through workshops, door-to-door counseling, and interactive sessions, we reached thousands of individuals, providing them with knowledge about contraceptive methods, maternal health, and government schemes.

By using creative engagement methods like street plays, audio-visual presentations, and printed materials, we addressed myths and misconceptions about family planning. These efforts encouraged responsible reproductive choices, helping to foster a healthier and more sustainable society.

"Our planet has limits, let's manage our numbers wisely."

AIDS AWARENESS PROGRAMME

Gajanan Educational Trust has played a key role in educating communities about HIV/AIDS prevention and treatment. This year, we organized workshops in schools, colleges, and workplaces to spread awareness about transmission methods, preventive measures, and medical support options. Our volunteers distributed informational brochures, condoms, and self-testing kits while providing counseling services to those in need.

Through social media campaigns and community outreach, we have successfully debunked misconceptions and reduced the stigma surrounding HIV/AIDS. By collaborating with healthcare professionals and local authorities, we are making progress in our mission to create an informed and healthier society

"Early detection saves lives."

PLANTATION DRIVE

Environmental conservation is a core part of Gajanan Educational Trust mission. This year, we organized large-scale plantation drives, successfully planting thousands of saplings across schools, parks, and barren lands in Odisha. We also conducted educational workshops to highlight the importance of afforestation, climate change awareness, and sustainable agriculture.

“Trees are the lungs of the Earth, let's breathe easy”

SAPLING GROW INITIATIVE

To ensure the survival of planted saplings, we implemented monitoring systems and encouraged community participation in tree maintenance. Our green initiatives aim to combat deforestation, improve air quality, and create a healthier environment for future generations.

“Nurture nature, plant a sapling”

NATIONAL DAY CELEBRATIONS: REPUBLIC DAY & INDEPENDENCE DAY

Gajanan Educational Trust takes pride in celebrating national events with enthusiasm. On Republic Day and Independence Day, we organized flag hoisting ceremonies, cultural performances, and discussions on patriotism and democracy. These events included essay writing competitions, debates, and community engagement activities that instilled a deep sense of national pride in participants.

By involving students, youth, and local leaders, we aim to inspire active citizenship and encourage individuals to contribute towards the progress of our nation. Our celebrations are not just about remembering history but about shaping the future of a united and responsible India

"The Nation's Pride Lies in Unity!"

FREE HEALTH CHECK-UP CAMPS & MOBILE HEALTH SERVICES

LIFE LINE has been committed to providing healthcare accessibility to underprivileged communities. Through free health check-up camps and mobile health services, we have extended medical aid to rural areas where healthcare facilities are limited. This year, we provided consultations, screenings, and free medicines to individuals suffering from various ailments, including diabetes, hypertension, and maternal health issues.

With the help of dedicated doctors, nurses, and volunteers, we continue to address medical disparities and ensure that no one is deprived of essential healthcare services. Expanding these initiatives remains a top priority for our organization.

"Check Your Health, Check Your Future"

VOCATIONAL TRAINING PROGRAMS

LIFE LINE recognizes the importance of skill development in achieving self-sufficiency. Our vocational training programs have empowered individuals, particularly women and youth, by providing them with practical skills in tailoring, computer literacy, handicrafts, and entrepreneurship.

By equipping participants with industry-relevant skills, we have helped them secure employment or start their own businesses. Our training sessions focus on hands-on learning and mentorship, ensuring long-term economic stability for beneficiaries. Moving forward, we plan to introduce more courses to align with the evolving job market and create broader employment opportunities.

"Together, We Build a Better Tomorrow!"
